Vampire Library

vol.24

이선영

Vampire Library

A  
delivery,  
Sir!

...  
What's  
this?

Thanks.

FRAGNE

It smells  
kinda  
familiar  
...

Eugh....!!

Olivia!!

It can't  
be...!!

Pickled  
black garlic.

So much  
beautiful  
blackness!

Shall  
I give it  
a try?

...What  
are you  
doing?

Do you  
guys want  
some too?

WAVE

Eew!  
Don't wave  
that thing  
at us!!

Even so,  
hatred is  
hatred.

ugh  
the  
smell

What's  
with  
you  
guys?

MUNCH

Didn't you  
say you were  
immune to  
crosses and  
garlic?

I feel sick

I bet  
Lord  
Carbel  
also  
hates it.

Whew

Suppose  
it's about  
time for him  
to arrive.

No!!

Shit!

Why  
are you  
chasing  
me?!

Grrr...

Some-  
body  
save  
me!!!

Aaaargh!!

Pest!

Pest!

Clean!  
Clean!

Pest  
infestation?  
Filthy home?  
Rest assured,  
we'll make it  
spick and span  
in no time!

Cleaning  
company  
'Hunter'  
is here!

Another report  
of a wild animal  
attack, huh? This  
seems to have  
grown into quite  
a case.

Indeed,  
this last attack  
makes five.

But a wild animal  
attack in the middle  
of Seoul?

According to  
witnesses, it was  
an extraordinarily  
large beast.

It was  
as big as  
a bear.

It looks  
like a tiger...  
Maybe it's  
escaped from  
the zoo.

Here.

These are  
the photos of  
the victims.

...A hole

A single  
hole mark on  
the neck?

Up to now,  
the bodies have  
been torn to pieces  
from the neck  
down, so the hole  
didn't show up.

My guess is  
it had been doing  
that on purpose,  
only this time it  
was interrupted.

Furthermore,  
there's not enough  
blood on the ground  
to be called  
'excessive bleeding'.

...I doubt  
it was  
just an  
ordinary  
wild  
animal.

It's highly possible that we're dealing with a vampire.

Well, my work is done here. After all, I'm only in it for the money.

You can find the rest in this USB.

Thank you.

By the way,

I heard you guys got your asses handed to you the other day by those creatures?

An entire floor burnt down, data lost, a whole bunch of memory-added staff...

Yet you get away with just ten days' suspension? Quite a handy backer there. I'd say

I have too much  
time on my  
hands these days  
Before I tick to  
dig deeper into  
your company's  
corruption.

tell your boss to  
make sure my piggy  
bank stays full.

CLERP..

GRR

RR

Damn him!  
That slimy  
bastard! Who is he  
to be threatening us  
about corruption  
when he's the  
detective selling  
the police's  
information?  
Insufferable  
dick!!!

...Can I  
kill him?

Everyone  
calm  
down.

WAAAA  
WAAAA

It's not  
like what  
he said is  
wrong...

For  
all that  
loss,

we can't  
even recall  
the per-  
petrator's  
face...

it's  
humiliating.

Boss  
...

Although...

I feel that  
there was  
someone  
else...

## Vampire Library

But who...?

We are still looking for more cleaners! Our cleaning dept. has only one male cleaner, and all the girls wish some hot guys would join, while our dry-cleaning service is also looking for more people. If you are interested, <http://whatever-services/join-us>

Fuck, who did that?!!

Hey,

let me try.

Who is that guy? As if the lenses weren't enough, he bleached his hair?

Reflexive reactions of modern middle schoolers

So legit.

Hiss!!

Ooh...

NMFM...

...A compliment? Well that's a first.

Hey, don't chicken out. Don't back down!!

THWACK!

...Ack!

Ough! Fuck you!

Can't you even aim?! Asshole!

You're  
right...  
This is  
fun.

*Defenceless  
animals  
are the best.*

THW  
K

OOGH  
!!

Hah...

I guess  
it does relieve  
some stress...

PULL
